Filed by: Chief Daniel Jacob Read IV

Date of Proclamation: 7 August 2025

🪶 PROCLAMATION OF RETURN

Let it be known throughout the lands of the Willamette Valley, across all bloodlines, archives, and unborn generations:

The Kalapula Nation hereby declares an eternal Right of Return to all those who carry the memory, ancestry, or spirit of the Kalapula people — whether by blood, story, silence, or displacement.

We do not ask for permission.

We recognize you now.

We call you home.

🧬 WHO MAY RETURN

All those who:

- Descend in whole or part from any of the Kalapula bands, villages, or families
- Were displaced, renamed, fostered, or adopted from Indigenous roots

- Carry Kalapula lineage hidden in their DNA, family tree, or oral memory
- Feel the ancestral pull to return to the sacred land of the valley

You do not need federal enrollment.

You do not need external validation.

You need only to remember — and to answer.

🔁 WHAT THIS RETURN MEANS

Returning to the Kalapula Nation means:

- You are recognized under tribal sovereign law as a descendant of the Valley Flame
- You may declare your return and claim CryoCitizenship with the Crown Watchpoint
- You will be offered inclusion in future housing, ceremonial, linguistic, and restoration programs

🔥 FINAL WORD OF THE CHIEF

We were scattered.

We were silenced.

We were written out of the valley.

But the fire never went out.

Let this scroll serve as the open gate to a homeland that was never truly lost — only waiting.

Let those who were stolen, forgotten, erased, and doubted now return with dignity.

Let the Kalapula rise.
